

Terms of use

Amnis Capital B.V.

The terms and conditions of use set forth herein apply to each of the pages of the website (collectively, the "Site"). Please read these terms and conditions of use carefully before using the Site.

By using the Site, you signify your agreement with the following terms and conditions of use without limitation or qualification. Amnis Capital B.V., its subsidiaries and affiliates (collectively referred to herein as "Amnis") may at any time revise these conditions by updating this document. You are bound by any such revisions and should therefore periodically visit this page to review the then-current terms and conditions of use to which you are bound.

Not an offer of advisory services or securities

The Site is limited to the dissemination of general information about the activities of and services provided by Amnis. The Site and the information contained in it do not constitute and should not be construed as an offering of advisory services or an offer to sell or solicitation to buy any securities or related financial instruments in any jurisdiction. Responses to any inquiry that may involve the rendering of personalized investment advice or effecting or attempting to effect transactions in securities will not be made absent compliance with applicable laws or regulations (including broker dealer, investment adviser or applicable agent or representative registration requirements), or applicable exemptions or exclusions therefrom.

Offerings of securities to persons domiciled in the United States and certain other jurisdictions are made through subsidiaries of Amnis Capital B.V., or in certain circumstances, through a placement agent registered in the relevant jurisdiction. Offerings are made only to persons who are "accredited investors" as defined in Rule 501(a) under the Securities Act of 1933, as amended.

Jurisdictional Issues

Amnis makes no representation that material in or accessible through the Site is appropriate or available for use in all locations or that access to them where their content is located is not illegal and prohibited. Those who choose to access the Site from any location do so on their own initiative and are responsible for establishing the legality, usability and correctness of any information or materials under any or all jurisdictions and the compliance of that information or material with local laws, if and to the extent local laws are applicable. The information provided in or accessible through the Site is not intended for distribution to, or use by, any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation or which would subject Amnis to any registration or other requirement within such jurisdiction or country.

Amnis Capital B.V. is authorized and regulated by the Authority Financial Markets ("AFM") in the Netherlands. Any collective investment schemes which may be referenced on the Site are not authorized and are considered unregulated collective investment schemes which cannot be marketed to the public.

Investment Risk

Amnis makes no representation, and it should not be assumed, that past investment performance is an indication of future results. Moreover, wherever there is the potential for profit there is also the possibility of loss. Certain of Amnis' strategies involve investments that are illiquid, are subject to a substantial risk of loss and are not suitable for many investors.
